CMS=Centers for Medicare & Medicaid Services; CPT=Current Procedural Terminology. HCPCS=Healthcare Common Procedure Coding System; ICD-10-CM=International Classification of Diseases, 10th Revision, Clinical Modification; NDC=National Drug Code.

*The JW modifier is required on claims for all single-dose containers or single-use drugs when an amount is discarded. The JZ modifier is required to be used as of July 1, 2023. For more information on the JW and JZ modifiers, visit CMS.gov.

**These codes are not all-inclusive; appropriate codes can vary by patient, setting of care and payer. Correct coding is the responsibility of the provider submitting the claim for the item or service. Please check with the payer to verify codes and special billing requirements. Genentech does not make any representation or guarantee concerning reimbursement or coverage for any item or service.**

**Many payers will not accept unspecified codes. If you use an unspecified code, please check with your payer.**
